Prevent Water Pollution

Pouring, leaking or discarding any substance other than rainwater into stormwater system degrades our water resources.

Pollutants dumped onto our streets or in our storm drains do not go to a sewage treatment plant to be cleaned. Instead, these pollutants are discharged directly into the storm system which flows into our natural waterways.

If you witness a potential spill or an illegal dumping into a storm drain, the street, a ditch, or a water body, REPORT IT!

Naval Base Kitsap
To report emergency spills call
396-4444
To report non-emergency illicit discharges please email
navfac_nw_stormw.fct@navy.mil, and
indicate the location of the concern.

COMMANDER NAVY REGION NORTHWEST

ONLY RAIN DOWN THE DRAIN!
